UNTRY East Germany DATE DISTR. 16 July 1953 State Secretariat for Chemistry, Main Administration for Heavy Chemistry 25X1 NO. OF PAGES 3 NO. OF ENCLS. USFEC BELOW SUPPLEMENT TO REPORT NO. THIS IS UNEVALUATED INFORMATION 1. Iffective 15 March 1953, the East Cerman State Jecretariat for Chemistry, Stones and Earths under State Secretary Dirk Van Aickelen was entirely reorganized. The State Secretariat was renamed State Secretariat for Chemistry, and Dr. Winkler (fmu) was made its head. The old State Secretariat had three main administration (HV's): (a) HV Chemic (Chemistry) (b) HV Kali- und Nichterzbergbau (Potash and Non-Cre Mining) (c) HV Steine und Arden (Stones and Earths) Only the first two remained with the new State Secretariat, whereas the Main Administration for Stones and Tarths was transferred to the Ministry for Construction. Dr. winkler rendered the oath of allegiance to Ministerpresident Grotewohl in early April 1953. 2. On the occasion of the reorganization of the State Secretariat, HV Chemie was split into four HV's: (a) HV Schwerchemie (Heavy Chemistry) (b) HV Fluessige Brennatoffe (Liquid Fuels) (c) HV Sunstatoffe (Synthetic Matters) (d) HV Organische Chemie (Organic Chemistry) The former head of HV Chemie, Prof. Bertsch was given a coordinating function between the four new HV's.		· · · · · · · · · · · · · · · · · · ·	REPORT NO.
